

Some Saint Patricks Day Recipes: From Canapees to Coffee

SOME SAINT PATRICKS DAY RECIPES (From Canapes to Coffee) A few easy, affordable recipes to serve on Saint Patricks Day either for a full meal or a snack. In this book you will learn: The difference between the traditional brisket cuts used for corned beef The process of corning meat The benefits of home corning and how to do it Optional cuts of beef to use and why How to substitute ham for corned beef How to cook Corned Beef and Cabbage and options to the classic dish How to make scones and soda bread Several preparations for leftovers Some other dishes to serve with a Corned Beef dinner This book takes a look at why corned beef is no longer the menu or market staple it once was. Cooking a fatty, labor intensive and time consuming brisket didnt fit in with our current diet principles or schedules. However, complete trimming of fat, or choosing leaner cuts and changing cooking methods can solve those problems. The cost can be regulated by home-corning, an incredibly simple, fast process. Instructions are provided. ..than a big corned beef, as well as other foods to fill out the menu whose predominately green coloring will carry the theme of the day.

COMMENTS FROM READERS: I like the recipes for the other courses. Theyre easy, delicious and Im going to use them often. Betty C. As a working mother, I dont cook roasts unless I can stretch them through a few quick dinners later. The leftover recipes gave me what I needed. Thanks. Sally B.
