

The Complete Plastic Man - Pt 20: Issues #58-60 --- All Stories - No Ads

Unlike other comic book characters, whose fall into a vat of toxic chemicals turned them into homicidal maniacs, Patrick Eel O'Brian became (with a little help from the obligatory monk-mentor) the stretchy and bendy crusader for good, Jack Coles PLASTIC MAN. His adventures began in Police Comics, but he soon graduated to his own wacky and action-packed book --- and we have all 64 issues of that great comic for you! --- All 64 Individual Issues; --- A great 21-Volume Collection --- A series of giant 350+ page volumes in the CLASSIC COMICS LIBRARY series! RARE COMICS CAN BE HARD TO FIND IN EXCELLENT CONDITION.

These books are reprinted from the best available images, and the books will be updated as new copies are uncovered. Sometimes the early and rarer books reflect the age and the condition of the originals. Our books are NOT digitally remastered; they are taken from scans of actual comics. Many people enjoy these authentic characteristics. If you are not entirely happy, please contact us for exchange or refund at any time! If you send us your contact/delivery information, as a book is updated, you will receive a revised version free of charge!
