

## 4-A Book of Inspiration, Motivation, Adversity and Triumph

A Book of Inspiration, Motivation, Adversity, and Triumph will encourage each individual to aggressively pursue our entitlement to live up to our absolute best each day. It reminds us that it is possible to regain lost time life, while looking ahead with hope and anticipation, knowing there remains a good ending in store for each of us. It empowers us to learn from our mistakes and then move on, rather than becoming too focused on our many setbacks, disappointments, and failures associated with our past. This inspirational book stresses the principle of rebirth in twenty-one easy-to-follow developmental areas that we all need to master in order to arrive at our chosen destination, more commonly known as prosperity.
