

Not Just a Secretary: Using the Job to Get Ahead

Packed with savvy, down-to-earth advice, this practical career planning guide shows secretaries what they're doing right, what they're doing wrong, and what more they can do to maximize their career growth potential. Helps secretaries identify their own special skills and the value of those skills in today's job market, and shows how to apply them to their chosen career path. Provides guidance on upward advancement, changing careers, and new approaches to the job interview. Exposes the "rules and "games secretaries must contend with in the office environment. Identifies five main behavioral styles associated with secretaries, and shows how each affects one's promotability. Includes actual case histories, a sample time log, and skills inventory.
