

Zulunation: The End of An Empire #3

The defense of Rorkes Drift. After the annihilation of the main British force at Isandhlwana, the Zulus march on to a lone British outpost at Rorkes Drift. A small band of men hear about the destruction of the main British army but because of the outposts hospital, they cant abandon the fort. When they find out 1000s of Zulus are coming, roughly 100 men decide to make a stand. In the end it will become the most decorated battle in British history.
