

## Conan Volume 9: Free Companions (Conan (Dark Horse))

Legendary artist Joe Kuberts very first sequential Conan work and illustrations by Cary Nord, Justin Sweet, and Joseph Michael Linsner highlight this latest collection of stories from Dark Horses ongoing Conan the Cimmerian comic -- book series. In his short career as a mercenary, young Conan has impressed both Princess Yasmela and military leader Lord Amalric, but an ambitious rogue prince arrives in Khoraja and blindsides Conan out of the comfortable, courtly situation hes found himself in. Not only is Conans love affair with Yasmela going south, but rebel Prince Julion immediately challenges Conans headstrong impulses and military plans, causing a rift between the battered but proud forces of Khoraja and Amalrics army of colorful mercs.
