

The Harvard Business School Guide to Careers in Finance, 2002

The 2002 edition of The Harvard Business School Guide to Careers in Finance is an indispensable resource for anyone considering a job search in finance or investment banking. This all-in-one guide details the trends in finance, describes the industry's vast and varying career opportunities, and provides guidance on the recruiting process. Included in this new edition are profiles of leading investment banks, commercial banks, and Fortune 500 companies that hire MBAs; a selected bibliography; and a useful glossary of finance terms.
