

## Lets Draw Manga- Transforming Robots

Through a series of changes, transforming robots shift their forms from vehicle to robot to animal, increasing the element of unpredictability in every battle! Can you design the one that will win? Lets Draw Manga: Transforming Robots teaches artists to turn simple shapes, like cubes and cylinders, into the ultimate fighting machines. Also covered are design history and specific types of transforming robots, such as sports cars, semitrailers, bulldozers, tanks, jet fighters, and dinosaurs. Harness the power of automaton and beast alike!
