

Make a Chair from a Tree: An Introduction to Working Green Wood

Size: 9 x 9 with 125 pgs. The Taunton Press, Inc. Softcover with many b/w photographs and illustrations. Other woodworkers who make green chairs will have new observations, insights and techniques to add to the lore, as the age old ways of working green wood are rediscovered. Much can be learned by studing the journey when old chairs are broken or taken apart for repair.
