

Letters on Practical Subjects to a Daughter (Classic Reprint)

The following letters were originally designed to be preserved in manuscript, as a legacy to a motherless child. The circumstances which have resulted in their being given to the world it is unnecessary to state. It has been the design of the writer to adapt the work, in its present form, to the various exigencies of a young female, and to furnish her with counsel and instruction which may be useful, not only during the period of her education, but also in subsequent life. (Typographical errors above are due to OCR software and do not occur in the book.)
