

New International Business English Students Book and Audio Cassette Set

New International Business English is a thoroughly revised and redesigned new edition of the highly successful course International Business English. While maintaining the first editions flexible learner-centred approach for people who need English in their day-to-day work, New International Business is now easier to use and even more effective in the way it addresses the key Business English language skills such as telephoning, socializing and taking part in meetings. The key features of the new edition are: - bright, open design at large format, and in colour for the Students Book. - shorter, more manageable units. New International Business English is a genuine 90 hour course. - a new unit on Negotiating.
