

Sakura Taisen, Vol. 2

Ensign Ogami has only just begun his first assignment, and hes already considering handing in his resignation! Punching tickets at the theater doesnt seem to be furthering his goal of defending Tokyo from demonic invaders. However, the employees of the Imperial Theater are more than what they appear to be on the outside--and Manager Yoneda is no exception. When the girls suit up for their first major battle against the demon steam suits, they will find their enemies are quite a bit tougher than initially anticipated!
