

## The Terrible Beast of Zor (Seven Sleepers: The Lost Chronicles)

The King of Madria is dying and the armies of Zor have surrounded the kingdom. Some people in the kingdom have even started to follow the Dark Lord. Losing ground, the armies of Madria need a leader. The Prince, who only cares for himself and what makes him happy, is not interested in this role. Goel instructs the Seven Sleepers to try and save Madria by teaching the Prince some of the lessons they have learned, and helping him realize that to be a great leader is to be a servant.
