

## Avengers, v1 #13. Feb 1965 [Comic Book]

The Avengers prevent the Maggia from committing another crime. Count Nefaria decides he needs to put the Avengers out of action. As no one knows he is the leader of the Maggia, he holds a party in his castle and invites the Avengers. While they sleep after the party Nefaria makes copies of each of the Avengers who he commands to declare war on the United States. When the real Avengers leave the party they are attacked by the Army. They discover what has happened and pursue and battle Nefaria, getting evidence from him that proves their innocence. However, in the battle, the Wasp is critically injured.
