

# The Pursuit Of Greatness: Quick Lessons On Achieving Lasting And Fulfilling Success...

In this book Mike offers insights into what it really takes to be successful - he helps you learn key principles to achieving success that lasts. Mike considers success as an attainable phenomenon and a result of fulfilling ones destiny, and asserts that it takes adequate preparation, support and determination to achieve significant success, and that is within reach of everyone to do so. There is no secret formula to greatness. All success comes through intent and commitment to a course to such end - No wonder that few people live to see their dreams becoming a reality. Only some achieve monumental success - others, unfortunately do not. At times because of circumstances beyond their control, but in many instances it is due to the lack of the right knowledge, skills and proper support systems. Mike believes success is achievable - it is just a decision away. He validates and amplifies the message that by choosing to live responsible lives, developing ourselves and making a paradigm shift, we can create a favorable atmosphere for greatness. Author Mike takes you through some of the most important aspects and principles truly successful people have come to master. This book is your preparation for the life you have been dreaming about. It is written to make it simple for you to understand how possible it is to achieve significantly in your life. Indeed, when preparation meets opportunity, success is inevitable.
