

The Truth Is a Cave in the Black Mountains

You ask me if I can forgive myself? I can forgive myself.... And so begins *The Truth Is a Cave in the Black Mountains*, a haunting story of family, the otherworld, and a search for hidden treasure. This audiobook is brought to vivid life by the characters and landscape of Gaiman's award-winning story. In this volume, the talents and vision of two great creative geniuses come together in a glorious explosion of colour and shadow, memory and regret, vengeance and, ultimately, love....for many things. For where I left him. For what I did.
