

Tomahawk (1950, 1st series) #130

Well, the great run on Neal Adams covers and the superior artwork by Frank Thorne could not quite save Tomahawk. This is the last issue to go by that name, at least on the cover, as next issue is known as Hawk, Son of Tomahawk as Joe Kubert takes over the editorial reigns from Murray Boltinoff. We begin this last true Tomahawk issue with Deathwatch at Desolation Valley by Robert Kanigher and Frank Thorne. The back-up Tomahawk story is A Bullet for My Brother by George Kashdan and Frank Thorne.
