

Uncanny X-Men Volume 3: The Good, The Bad, the Inhuman (Marvel Now)

The new Xavier School has changed, as the effects of the Battle of the Atom event are felt - and Kitty Pryde and the All-New X-Men join Cyclops renegade squad! Meanwhile, Magneto goes off on personal mission that sets him at odds with much of the X-Men...and the Marvel Universe. As Magneto reaches a crossroads, everything hes fought for is called into question...and hes forced to make a decision that will change him forever! Elsewhere, the ladies of the uncanny X-Men go out on the town - and find themselves face-to-face with the effects of Inhumanity! And Cyclops declares a training day for the X-Mens students...but the training seems to be that the teachers just abandoned them to fend for themselves on a dangerous mission! What will these inexperienced young mutants do now? COLLECTING: Uncanny X-Men 14, 15.INH, 16-18
