

Remodeling a Bathroom (Tauntons Build Like a Pro)

After kitchen renovations, bathroom makeovers rank second in popularity. This book tells readers everything they need to know to remodel a home bathroom, from planning the renovation and choosing materials and fixtures to putting in the finishing touches. Step-by-step photo essays, pro-level advice, and insiders tips cover every step in the process. The reader is guided through designing a floor plan; framing walls; roughing in the plumbing and electric supply; installing drywall, flooring, cabinets and countertops, tub and shower enclosures, and moldings; and more.
